Memories & Messages

No big secrets, I just wish I could have stayed in touch with more of my classmates. I left Indianapolis in 1976 and have lost touch with almost everyone.

Daryl Allegree

God we were young - Young in mind, body and spirit. Remember that feeling and don't ever let it die.

Dexter Begines

Too many secret crushes to count, wore my feelings on my sleeve. Too many most embarrassing moments to want to remember. Consequently I color my hair blonde, I now have an excuse.

Corie Blaydoe Habenstein

Most embarrassing, walking off the stage into the orchestra pit, eight feet down during drama class. Secret Crush, Tom Carder.

Karen Bouchonnet May

Since leaving Indianapolis in 1981, I have lived in Houston, Phoenix, Washington, DC, and Chicago. I have been fortunate enough to travel to Brazil, Mexico, and Japan, Hawaii "twice", and many other places. I have always come home to a wonderful family, which make everything worthwhile.

Bob Casey

I have a lot of great memories from high school, Tobyz, Patriots but best of all spring break 1976 in Florida.

Donna Downton Baker

I always felt that the Class of 1976 has had a strong bond. We keep in touch spiritually and when we unite it's as if we have never been apart. To sing as Barbra Streisand does the song. "People Who Need People" has been a secret desire of mine or James Taylor "You got a Friend".

Kathy Drake Belledin

Bob Baker "Summer of 1976" seen Corrine Lately? Mike Borden Kircher, I hope you still remember all the school #93 characters. At 10th year reunion, yours and Darryl Phillips memories were unbelievable.

Jeffrey Duncan

I feel high school was a very special time for me. It was a fun, carefree time. I will always cherish my high school friends. Some friends I don't get to see as often as I would like to. Some of the reasons being distance or time. I do keep everyone special in my heart and remember those great times. I can't wait to see you all. I hope time and the years have been good to us.

Debbie Johnson Walpole

Dear Class of 1976, I am unable to attend this time due to vacation plans already made. I hope you are well and happy and hope to see you at the 25th reunion.

Pamela Kitchens Myers

I think everyone remembers Dave Harvey's class. He was always cracking jokes.

Selton Mullins

It would be nice to see or hear from the people I hung out with back then. It seems very few of us show up for these things.

Mary Rogier LaFara

I'll never forget the parties, the euchre, the boilermakers and the classmate who "hiked his leg" in the corner of my living room. Still crazy after all these years (just to not such a degree).

Jeani Rumble Sibb

My strongest friendships have been those developed with high school classmates.

Kevin Ryan

Debbie Johnson is still accepting quarters for the vibrating bed. And Paul, if you're still willing to donate those underwear, I think she'd take them.

Stephanie Smith Hagerman

I can't remember too much from high school except people kept wanting me to skip school and get in trouble. Luckily I stayed on the straight and narrow and never caused any problems.

Mark Steiner

Thanks to Doc Weaver for turning me on to Birds and thanks to the cavers. Both of these have become long time interests.

Kevin Strunk

From 8 track tapes to CD's, slide rules to PCs, and bell bottoms to baggies. It's been a long strange trip. Hope your last score was great. Keep the spirit of 1976 shining. Til we meet again.

Mark Utter

Paul, I will always be able to kick your ass.

George West

My high school years were very scary, emotionally, peers, classes, and my future, but I survived it, Thank God. God bless everyone that had positive influences on me.

Terry Whitney

I married my high school sweetheart Kalah Kuhn. Learned how to play guitar. I had a crush for Robin Trester. I was embarrassed when I forgot my lines for a play I was in.

Michael Wheeler

Did we really think we looked good in those clothes?

Janet Wilson Ausdenmoore
